FBC CORONAVIRUS UPDATE

First Baptist wants you to know that the health and safety of our members, guests, employees, and neighbors is always our top priority. We've developed a crisis response plan to ensure we are doing what is best for you during this public health threat posed by the Coronavirus. We have suspended all of our regularly scheduled worship services through May. **In lieu of in-person worship First Baptist worship services are recorded in advance and streamed at 9:00am on Sunday mornings and rebroadcast at 11:00am! Join us on Facebook, YouTube or the Web at Fbcmanassas.org**

- Ministry In-Person Meetings are canceled until further notice. All FBC ministries are requested to hold meetings via telephone conference or web conference or to cancel.
- In-Person Sunday School and In-Person Bible Study are canceled until further notice.
- The campus is closed to all non-FBC organizations and functions until further notice.

We ask that you continue, each week, to give your financial gifts to our kingdom work. Utilize the FBC website e-giving or mail-in your financial gift to First Baptist Church, 9258 Center Street, Manassas, VA 20110. We understand that this will disrupt the rhythm of our church ministry, programs, and services. We ask for your continued 'faith commitment' to FBC as we meet these evolving circumstances. We will sanitize our campus in the meantime.

CORONAVIRUS DISEASE 2019 (COVID-19) PRECAUTIONS

The 2019 Novel Coronavirus, or COVID-19, is a new respiratory virus. Coronaviruses affect the respiratory system, including the lungs and airways. It is contagious among humans and there is no vaccine available. Coronaviruses are primarily spread through close contact, through respiratory droplets from coughs and sneezes within a range of about 6 feet. To protect yourself, family, church and co-workers do the following:

- **Wear cloth face covering** in public settings where social distancing measures are difficult to maintain (e.g. grocery stores, pharmacies).
- **Practice social distancing.** Experts recommend that individuals stay **6 feet away** from each other in order to thwart infection.
- **Wash your hands often with soap and water for at least 20 seconds.**
- Use an alcohol-based hand sanitizer (60% or higher) only if soap and water are not available.
- Avoid touching your eyes, nose, and mouth as much as possible.
- Cover your mouth and nose with a tissue or sleeve (not hands) when coughing or sneezing.
- Clean and disinfect frequently touched objects and surfaces.
- ***Stay home if you are sick, think you may be sick, develop symptoms, have a compromised respiratory system, have compromised health during this time.**
- **Avoid contact with sick people as much as possible.**
- Avoid non-essential travel.
